

UnityPoint Health - St. Luke's Witwer Children's Therapy

Handwriting Camp 2019

Ages 3-6 (Pre-K to K)

Sessions led by skilled occupational therapists will focus on body awareness and pre-writing skills such as drawing shapes and figures. Beginning letters and number formation will also be addressed. Additional activities include targeting your child's fine motor skills, hand strength and hand dominance.

When: 12-1 p.m. every Monday, June 10-August 5 (*NO classes week of July 4th)

Ages 6-9 (1st to 2nd grade)

Sessions will focus on letter formation, eliminating letter reversals and correcting sizing of letters. Additional activities include targeting your child's fine motor skills, hand strength and holding their pencil correctly to make writing easier.

When: 12-1 p.m. every Wednesday, June 12-August 7 (*NO classes week of July 4th)

Ages 9+ (3rd to 5th grade)

Sessions will focus on correct letter formation, eliminating letter reversals, correcting sizing of letters and letter placement on a line. Overall neatness will also be addressed. Additional activities include targeting your child's fine motor skills and hand strength.

When: 12-1 p.m. every Friday, June 14-August 9 (*NO classes week of July 4th)

Cost: \$300 if paid before June 1, \$320 if after June 1.

Checks made out to St. Luke's. Must be prepaid. Refunds not available.
