# SUMMER CAMPS!

*What makes Summit's SummerCamps unique?*

- Academic Camps for both struggling and high achieving students that keep your child engaged over the summer
- Our *\*new\** partnership with NewBoCo, presenting their STEAM Challenge Camps on our Summit Campus!
- Small class sizes (12-16 students max per camp)
- Certified & experienced teachers who LOVE making education fun, relevant, and memorable for kids
- Healthy Life & Rec Camps that provide an outdoor classroom as children swim, play games, enjoy the splash pad, get creative, and more!

- Themed Camps with a variety of STEAM-based topics to keep your students thinking critically, problem-solving in teams, and having a blast while learning
- Mix and match between all camp categories to create a summer schedule that works best for your family.
