- **Review Minutes from 11/18/2020 -**

- **2nd Semester Workshops (Mini workshops)**

- Questions (Erin) - what is the current protocol for approval of course offerings?
- Workshops offered in different buildings & not others - equity?
- Can it be approved by district level & given 1 week advance notice to other buildings?
 - Organize with building principle 1st - then send to Nathan
- Calendar conflicts
- Building-wide vs. District-wide workshops - is this applicable to levels vs district
- Might we have an issue of equity with courses coming out a few days before being offered and only being able to take these courses if you're lucky enough to work in a building that has them?
- 2021-2022 - return to workshop procedures / not just falling on Teacher Leaders

- **Update on TQ spending, budget- Nathan**

- Our total PD allocation for 2021 was \$487,701.
- So far this year we have spent \$372,885.27 and have another \$46,386.67 encumbered but not yet spent.
- This leaves a balance of **\$68,429.03** remaining this year.
 - So...the good news is that we've spent a chunk of our budget with the 15 hours and workshops we've done
 - The bad news is that we're getting close to our allocated amount for the year
 - This is district money - not building money
 - Admin will be encouraged to use building funds for workshops -to be replenished with district funds at the end of this school year
