Minutes approved.

- **Allocation update**
 - \$346,715 total allocation
 - \$248,537 individual allocations
 - \$98,178 building allocations

Building allocations will be decided based on each building's FTE. With the committee's approval, Bob Read will start allocating funds to buildings tomorrow.

- **Participant survey results**
- **Teacher evaluation model**
 - **Improving Teacher Development and Evaluation**

Are current evaluation practices valuable? Do they align with the district's goals? Are there ways that we could improve the evaluation process? Any changes to this model would be at least a two year process.

Committee members should reach out to colleagues in other districts to sample their evaluation process

- **Fall workshops**

The committee would like to offer workshops after fall conferences (late October through December). Bob will contact previous instructors to see if they'll be interested in teaching during this window.

- **[Handbook](#) for the 2021-2022 has been updated.**

FYI-If you notice on the forms the pay is less than 2019-2020. I checked with HR. This is due to changes in the who can sub law and other changes. It is basically \$15.75 an hour for subs for so many days, then they would move to the long term sub category of pay. So the amounts on the form are really just a guideline.

Next Meeting: October 20, 2021 4:00-5:00 p.m. High School Lecture Hall
