Preschool Enrollment Opens Next Week

Preschool online registration for 2022-2023 opens at **NOON on February 7th, 2022** and remains open through **February 28th, 2022**.

If you do not have access to a computer, computers are available at the LRC building located at 2999 North 10th Street Marion, IA.

**Lottery**

Linn-Mar’s preschool enrollment process is changing from first come first serve (timestamp) to a lottery based system to be more equitable for all families.

The past several years, Linn-Mar preschool was full within the first 10 minutes of registration. Switching to a lottery based system makes the process more accessible for all families in our community. All efforts will be made to enroll students who complete preschool registration, however, this may not be possible given the volume of interest in our preschool. Priority enrollment will be given to families that live in the Linn-Mar School District and have submitted all required documents.

The lottery is a computer generated, randomized selection process to accept students who apply to preschool and have turned in all the required documents. Families will be notified of lottery results via email beginning March 1st, 2022 and will have 48 hours to confirm and accept their child’s placement. If enrollment is declined, or confirmation is not received, students on the waitlist will be notified of an opening.

**Student must be 4 years old on or before September 15th, 2022 to participate in Little Lions Preschool.**
